

Stroke Certified Registered Nurse (SCRN) Review Course

April 28, 2018 800am – 430pm

7900 Shradar Rd Henrico, VA Suite 200

presented by

Central Virginia Chapter American Association of Neuroscience Nurses

Program Purpose:

This one day program is designed to present a comprehensive review of care of the stroke patient. The content presented will assist the experienced neuroscience nurse in preparing for the stroke certified registered nurse exam (SCRN). This content would also benefit all healthcare professionals caring for neuroscience patients.

Why Be Certified:

Certification in a nursing specialty shows that you have taken the extra step to validate your knowledge and skills. Take the time to show your colleagues and patients your commitment to excellence in a medical-surgical nursing practice.

Registration Fee: \$75 includes course materials and lunch.
