Objectives

AANN members will be able to describe the formation of the American Association of Neurosurgical Nurses and the first 20 years of it’s history.

Describe the transition from Neurosurgical to Neuroscience Nurses and other significant events in the middle 15 years of the organization’s history.

Recount significant events in the most recent 15 years of the organization’s history.

Apply lessons learned to the future of our specialty.
Happenings in 1968

• Vietnam War
• Nixon Elected
• Men orbit the Moon
• 1st Double heart Transplant
• Bobby Kennedy and MLK assassinated
