# NEURO-APP

JANUARY 11-14, 2023 • LONG BEACH, CA

## CONFERENCE PLANNING COMMITTEE

- Erin Conahan, MSN RN ACNS-BC CNRN SCRNP PHRN (Chair)
- Twyila Lay, MSN ANP-BC ACNP-BC CNRN (Past Chair)
- Katherine Archer, MSN APRN FNP-C CNRN
- Sandi Brettler, MSN RN CNRN
- Kimberly Heckman, MSN SCRNP FNP CNP
- Melinda Sloan, MSN RN CNS ACNP-BC CNRN

## CONFERENCE OBJECTIVES

Enhance advanced practice providers' (APPs) neuroscience knowledge through interactive sessions with national experts. The conference will feature focused sessions on inpatient and outpatient care, adults and pediatrics, and professional development. In addition to invaluable networking opportunities and pharmacology hours, this conference offers

- an advanced anatomy and assessment session
- pre-conference sessions geared toward providers, with applicable case studies
- opportunities for discussion on complex cases.

## SESSION TOPICS

- Stroke
- Neurotrauma
- Epilepsy
- Neurodegenerative disease
- Pediatrics
- Pharmacology
- Professional development
- Spine
- Tumors
- Neuromuscular movement disorders

# ADVANCED CARE FOR NEUROSCIENCE PATIENTS

## PRE-CONFERENCE SESSIONS\*

*\*Pre-conference sessions require an additional fee.*

### ADVANCED EEG INTERPRETATION

**Wednesday, January 11, 2023, 12:45–2:45 pm PST • Cost: \$75**

This program is intended for APPs involved in the care of patients with acute seizures. The course will review the means of differentiating acute seizures from other conditions using both the physical examination and the EEG. Interactive case studies will be presented during the session that will allow for audience participation.

### ADVANCED CEREBRAL IMAGING

**Wednesday, January 11, 2023, 12:45–2:45 pm PST • Cost: \$75**

This course is designed to enhance APPs' imaging interpretation skills. Using clinical vignettes, learners will determine the appropriate imaging series to order as well as learn tips and tricks to reach a definitive diagnosis.

### ADVANCED SPINAL IMAGING

**Wednesday, January 11, 2023, 3–5 pm PST • Cost: \$75**

This case-based workshop is designed to further develop interpretation skills and enhance provider confidence in ordering and interpreting a variety of imaging modalities. Case studies will provide the background to review appropriate imaging studies and tips and tricks to guide image interpretation.

### ANTIPILEPTIC DRUGS FOR THE MANAGEMENT AND TREATMENT OF REFRACTORY EPILEPSY

**Wednesday, January 11, 2023, 3–5 pm PST • Cost: \$75**

Advances in epileptic drugs are rapidly occurring. This course is designed to inform APPs on the latest pharmacology treatments for intractable seizure management. Case studies will be used throughout the program to illustrate strategies to guide treatment decisions.

**View the full schedule of sessions online at  
[aann.org/meetings/advanced-practice-course/schedule](http://aann.org/meetings/advanced-practice-course/schedule).**

# HOTEL ACCOMMODATIONS

## CONFERENCE LOCATION

All registration, events, and conference sessions will take place at The Westin Long Beach.

## HOTEL INFORMATION

The Westin Long Beach

333 E. Ocean Boulevard, Long Beach, CA 90802 | 562.436.3000

## Reservations

Call and reference the group code AANN Neuro-APP Conference.

## Personalized Group Link

[aann.org/reserveroom](http://aann.org/reserveroom)

The group rate is \$219 (single/double) and the cut-off date is Tuesday, December 13, 2022. This special rate will apply until the cut-off date or the room block is filled; at that point, higher rates may apply. AANN has secured a limited number of sleeping rooms at the special discounted rate. Please be sure to make your reservations early and to indicate that you are attending the AANN Neuro-APP Conference.

The group rate will apply 3 days prior to and 3 days after the group block based on availability.

# CONTINUING EDUCATION INFORMATION

The American Association of Neuroscience Nurses is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

The American Association of Neuroscience Nurses is accredited as a provider of continuing nursing education by the California Board of Registered Nursing (CEP: 13331).

**Successful completion:** Participants must be registered for the conference and attend the session(s). Attendees can be awarded 1 CE contact hour for every 60-minute educational session they attend and evaluate. Participants must complete an overall conference evaluation to receive CE contact hours.

Contact hours available for each component of the event are as follows:  
Pre-conference sessions ..... 2 CE hours  
Neuro-APP Educational Conference..... 15 CE hours

## REGISTRATION FEES

	EARLY BIRD BY DECEMBER 14, 2022	AFTER DECEMBER 14, 2022
AANN Member	\$400	\$500
Non-Member	\$550	\$650

Save \$100 when you register before the Wednesday, December 14, 2022, early bird deadline.

Join AANN for only \$130 and save on registration to this conference, other AANN events, educational products, and more!

## FACILITY PRICING

A special group discount is available to help your institution take advantage of the high-caliber education available to your staff.

### Groups of five or more save 20% off the member price!

Complete a registration form, available at [AANN.org/APP](https://www.aann.org/APP), for each nurse and mail them in one envelope to:

AANN, 8735 W. Higgins Road, Suite 300, Chicago, IL 60631

Call 847.375.4733 with questions.

## CANCELLATION POLICY

**All cancellations must be made in writing.** A \$100 processing fee will be charged for all cancellations postmarked on or before Wednesday, December 28, 2022. No refunds will be made under any circumstances for cancellations postmarked after Wednesday, December 28, 2022. AANN reserves the right to substitute faculty, cancel or reschedule sessions, or hold sessions virtually because of low enrollment or other unforeseen circumstances. If AANN must cancel the entire conference, registrants will receive a full credit or refund of their paid registration fee. No refunds can be made for lodging, airfare, or any other expenses related to attending the conference.

## ***JOIN US IN LONG BEACH!***

Join us at The Westin Long Beach for the Neuroscience Advanced Practice Provider Educational Conference. The purpose of the Neuro-APP Conference is to provide nurse practitioners, registered nurses, physician assistants, and other advanced practice providers with education that fills knowledge and skill gaps and addresses new advances in care delivery specific to neuroscience practice. This is an ideal educational conference to build basic knowledge for advanced practice providers new to the field and those experienced in neuroscience patient care.
