At the International Neuroscience Nursing Research Symposium, attendees will experience the impressive breadth of research being conducted by their peers and have the opportunity to network with other neuroscience scholars from around the world.

The Virtual Research Symposium is a place where all neuroscience nurses, from novice to expert, can showcase their research, evidence-based practice, and quality improvement projects. Research from diverse areas of nursing will be presented and will help attendees translate the findings into nursing interventions that will improve patient outcomes.

Conference Outcomes
This conference addresses neuroscience nursing research across the continuum of scientific inquiry, including bench/basic research, translational research, planned clinical trials, works in progress, and completed studies. In this fast-paced meeting, you will hear from more than 30 world leaders in neuroscience nursing research. If you conduct, carry out, or care for patients in neuroscience research studies, you will be engaged and inspired by this conference.

Learning Outcomes
1. Identify the leading nursing research topics impacting neuroscience nurses and the patients they care for.
2. Meet with leading academic scholars to develop strategic shared-interest international collaborations.
3. Disseminate emerging research methodologies that facilitate discovery when conducting clinical trials.
4. Be inspired to optimize patient care through exposure to groundbreaking research and leading evidence-based practice.

Continuing Education Credit
The American Association of Neuroscience Nurses is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

The American Association of Neuroscience Nurses is accredited as a provider of continuing nursing education by the California Board of Registered Nursing (CEP: 13331).

Successful completion: Participants must be registered for the conference and attend the session(s). Attendees can be awarded 1 CE contact hour for every 60 minutes of educational content by attending the session(s) and completing an evaluation.

Registration Fees
Registration is $150 for all attendees.

Groups of five or more save 20%.

When you register a group of five or more, the registration fee is discounted to only $120 per person.

Complete the registration form at AANN.org/researchsymposium for each attendee and mail them in one envelope to:

AANN
8735 W. Higgins Road, Suite 300
Chicago, IL 60631
Call 847.375.4733 with questions.

Cancellation Policy
All cancellations must be made in writing. A $100 processing fee will be charged for all cancellations postmarked on or before Thursday, August 4, 2022. No refunds will be made under any circumstances on cancellations postmarked after Thursday, August 4, 2022. AANN reserves the right to substitute faculty or to cancel or reschedule sessions because of low enrollment or other unforeseen circumstances. If AANN must cancel the entire symposium, registrants will receive a full credit or refund of their paid registration fee.

“This was my first INNRS Symposium and first poster presentation. It was a great experience and I look forward to attending and hopefully presenting another poster next year.”

“Being able to attend this conference inspires me for a whole year. I really don’t think I get that anywhere else and I attend a lot of conferences.”
