

## How AANN Membership Benefits Your Hospital

Nurses who are members of the American Association of Neuroscience Nurses (AANN) make a difference for your patients, families, staff, and hospital.

### Supporting your nurses' membership in AANN can help you:

- differentiate your facility
- provide education and continuing education (CE) at a discounted price
- offer leadership and networking opportunities
- ensure your nurses provide the highest quality care
- provide access to clinical resources
- influence the neuroscience nursing field through advocacy efforts
- champion nurses seeking certified neuroscience registered nurse (CNRN) or stroke certified registered nurse (SCRN) certification
- achieve or maintain Magnet status—professional membership is encouraged by the American Nurses Credentialing Center (ANCC).
