**Twitter:** @NeuroNursesAANN

- AANN supports my professional development through quality education opportunities, collaboration and networking in local chapters, discounts on neuroscience products, and more! Interested in AANN membership? Ask me how to join!
- I just joined AANN to enhance my practice, expand my knowledge, and network with neuroscience professionals worldwide. Want to join the AANN family? Ask me how!
- I just passed the (CNRN/SCRN) exam! AANN has study tools that make it really easy. Ask me what tools I used and how my AANN membership allowed me to purchase study tools at a discounted rate.
- Give yourself the gift of professional development by becoming (CNRN/SCRN) certified like I did. Did you know that the average full-time salary of nurses with specialty certification is about 23% higher than those without certification? Ask me about my certification experience.
- AANN's Annual Meeting is essential to my professional development. I can't wait to go this year. Ask me how you can be there too!
