

## Why Nursing Students Should Join AANN

As an AANN member, you will gain unmatched access to the foremost clinical and professional resources, on neuroscience nursing topics across the spectrum of care, throughout your career. Belong to a family of nurses who share your passion and benefit from a variety of professional development opportunities.

- **Mentorship program:** Apply to be paired with an AANN member to be your mentor. The goal of this program is to provide neuroscience trainees and practice professionals the opportunity for mentoring in clinical, research, and clinician educator pathways, as well as advice regarding career development.
- **Career center:** AANN's Career Center is your go-to resource for finding a new job. Find a new position that matches your skills, interests, and professional goals. Discover your career possibilities today.
- **Local Chapters:** Connect with neuroscience professionals in your area. AANN has 59 local chapters and a virtual chapter!
- **Journal of Neuroscience Nursing (JNN):** The *JNN* contains original articles on advances in neurosurgical and neurological techniques as they affect nursing care, theory and research, as well as commentary on the roles of the neuroscience nurse in the health care team. AANN members get a free subscription to the *JNN* and free CE from articles.
- **Additional Benefits:** AANN offers a variety of membership benefits including education opportunities and tools, certification preparation, networking and collaboration, professional resources, and more! Learn about all of the benefits at [AANN.org/membership](http://AANN.org/membership)

**Student membership dues are only \$67. Join today at [AANN.org/join](http://AANN.org/join)**
